Mr. Harold Weisberg
Frederick, Md.

Dear Harold:

Thanks for your note of October 28th. I don't think we can fault Allegheny Airlines, since the content of their in-flight magazine (as well as any other airline's magazine) is not prepared by them. The people at the East-West Network are responsible for all the stuff that goes into the issues and the airlines just buy the copies from the publisher to put on the planes.

I'll keep an eye out for articles in the papers and magazines I see and will send you anything that looks interesting.

Regards,
